

# Find All Your Financial Aid In One Place.

Red Kite has over \$20 Billion in scholarships, grants and fellowships.

## Customized College Financial Aid Based On Your Choices

Red Kite takes the guesswork out of financial aid. We'll match you to sources of financial aid specific to your background and interests including scholarships, grants, federal & state aid and education loans. **Start untangling the financial aid process today.**

## Manage All Your College Financial Aid In One Place

Red Kite helps you find, apply for and track your scholarships and other financial aid.

- Find and apply for scholarships, grants, state, federal aid and education loans.
- Manage your applications to meet your cost of attendance goal.
- Sign up for reminders and easy-to-follow "To Do" items.

## The Right Money In The Right Order

Different types of financial aid have different costs. Red Kite helps you understand those costs and apply for financial aid in the right order.

- First, complete your FAFSA and state applications.
- Identify and apply for scholarships and grants.
- Lastly, fill any remaining gap with education and parent loans.

## Financial Aid Customized For You

Simply tell us a little about yourself and Red Kite will recommend matches based on your:

- College preferences.
- Personal and family background.
- Interests and activities.
